Food as it should be

Panera Bread began with a simple commitment: to bake fresh bread every day in our bakery-cafes. That commitment led to others, like the early decision to remove artificial trans-fats, post calories on menu boards and invest in serving chicken raised without antibiotics. In 2014, Panera issued a comprehensive

Food Policy that expressed its commitments to clean ingredients, menu transparency and having a positive impact on the food system. This included a pledge to remove artificial additives (flavors, sweeteners, preservatives, and colors from artificial sources) from the food in its U.S. bakery-cafes by the end of 2016.

Day-End Dough-Nation™ & Panera Gives

Panera Bread has worked to help combat the problem of hunger for 25 years since it began donating unsold bread and baked goods to local organizations. In 2014, Panera bakery-cafes nationally donated a retail value of approximately \$100 million worth of unsold bread and baked goods to help neighbors in need through our Day-End Dough-Nation™ program. Panera also supports local charitable organizations through Panera Gives by donating a certificate or fresh bakery products.

An Active Community Partner

As part of the local community, all donations made by guests in the new bakery-cafe will benefit Make-A-Wish® Illinois, a charity that helps grant the wishes of children with life-threatening medical conditions. For the past six years over 30 local bakery-cafes joined the community in contributing over \$800,000 to Make-A-Wish® Illinois to grant wishes.
